Take Me Away

4 Strings

Take me away
Million miles away from here
Take me away
Find a place for you and meYou're taking me higher
High as I could be
Take me away
Forever you and meTake me away
A million miles away from here
Take me away
Find a place for you and meYou're taking me higher
High as I could be
Take me away
Forever you and me
Take me awayThe tears I cried
Put them all inside
I needed time
To make up my mindTake me away
A million miles away from here
Take me away
Find a place for you and meYou're taking me higher
High as I could be
Take me away
Forever you and meTake me away
A million miles away from here
Take me away
Find a place for you and meYou're taking me higher
High as I could be
Take me away
Forever you and me
Take me away
