

Safe

Natalie Grant

How did You know that I'm all alone today?
Oh, I feel so scared and I wanna go away
I bleed so deep underneath, my soul is screaming
I'm not gonna hide, I'm not gonna run away
I'll uncover the scars and show You every mistake
Your love is mending my blisters and the bruising shame
Here with You I am safe
Drown in the tears, won't make it go away
It's robbing my soul so I'm taking this mask off my face, yeah
To discover love and uncover all it means to live and breathe
I'm not gonna hide, I'm not gonna run away
I'll uncover the scars and show You every mistake
Your love is mending my blisters and the bruising shame
Here with You I am safe, I am safe, I am safe, I am safe
When You uncover I discover, I am not afraid
But when we're hiding, we end up fighting
To be safe
Yeah, yeah, I'm not gonna hide, I'm not gonna run away
I'll uncover the scars and show You every mistake
Your love is mending my blisters and my bruising shame
Here with You I am safe, I am safe, I am safe, I am safe
I am safe
