

# Repetition

## The Fall

Right noise.  
We're gonna get real speedy  
We're gonna wear black all the time  
You're gonna make it on your own.  
'cause we dig  
'cause we dig  
We dig  
We dig repetition  
We dig repetition  
We dig repetition in the music  
And we're never going to lose it.  
All you daughters and sons  
who are sick of fancy music  
We dig repetition  
Repetition in the drums  
and we're never going to lose it.  
This is the three are's  
The three are's:  
Repetition, Repetition, Repetition  
Oh mental hospitals  
Oh mental hospitals  
They put electrodes in your brain  
And you're never the same  
You don't dig repetition  
You don't love repetition  
Repetition in the music and we're never going to lose it  
President Carter loves repetition  
Chairman Mao he dug repetition  
Repetition in China  
Repetition in America  
Repetition in West Germany  
Simultaneous suicide  
We dig it, we dig it,  
we dig it, we dig it  
Repetition, repetition, repetition  
There is no hesitation  
This is your situation  
Continue a blank generation  
Blank generation

Same old blank generation  
Grooving blank generation  
Swinging blank generation  
Repetition, repetition, repetition....
