Forever Glorified

Valerie Victoria

All praise and honor to The King
For You are forever glorified
Iâ€™ll worship and bow at Your feet
For You are forever glorified

And I will seek You in my life
Youâ€™re The King upon the throne
And I will only choose Your love
For from Your heart it overflows

Full of grace and full of truth.
For You are forever glorified
My Lord, The Everlasting Light.
For You are forever glorified

All the earth is filled
With the glory of The Lord
