

# Forever Glorified

**Valerie Victoria**

All praise and honor to The King  
For You are forever glorified  
Iâ€™ll worship and bow at Your feet  
For You are forever glorified

And I will seek You in my life  
Youâ€™re The King upon the throne  
And I will only choose Your love  
For from Your heart it overflows

Full of grace and full of truth.  
For You are forever glorified  
My Lord, The Everlasting Light.  
For You are forever glorified

All the earth is filled  
With the glory of The Lord
