

Why Do You Try So Hard To Hate Me

The Electric Soft Parade

Sometimes, I wake up in the sun
Everyday, it burns me like no-one
Could ever be like me
Everyone has faltered now we're gone You're so bitter, I don't get it
Why do you try so hard to hate me?
You're so bitter, I don't get it
Why do you try so hard? Sometimes, I wake up in the sun
Everyday, it burns me like no-one
Could ever be like me
Everyone has faltered now we're gone
You're so bitter, I don't get it
Why do you try so hard to hate me?
You're so bitter, I don't get it
Why do you try so hard to hate me?
You're so bitter, I don't get it
Why do you try so hard to hate me?
You're so bitter, I don't get it
Why do you try so hard? So take your songs tonight
I don't feel the hurt inside
I am bruised and I am broken
And don't I feel the hurt inside
I am taking my exit now
I am making my exit now
And I'm not sure where I'll be
You're so bitter, I don't get it
Why do you try so hard to hate me?
You're so bitter, I don't get it
Why do you try so hard to hate me?
You're so bitter, I don't get it
Why do you try so hard to hate me?
You're so bitter, I don't get it
Why do you try so hard?
