

# Perfect World (dBerrie Remix)

## Gossip

Oh oh and I  
I put a wish in  
Made it my mission  
To end the conflict  
But oh  
I put a wish in  
Hoping you'd listen  
By my accomplice  
But ohhhRelax, its only dreaming facts  
Giving way to feelings  
No one ever stays long  
its over when you wake up  
So I knew that it was  
in the Picture perfect world  
We can be more than before  
I said it was  
I made it strongerFrom the beginning  
My head was spinning  
The perfect star  
Oh a church  
A place to fit in  
A new religion  
I found your heart  
But oh ohRelax, its only dreaming facts  
Giving way to feelings  
no one ever stays long  
its over when you wake up  
So I knew that it was  
in the Picture perfect world  
we can be more than before  
I said it was  
I made it stronger  
In a Picture perfect worldIn the Picture perfect world  
we can be more than before  
I said it was  
I made it strongerDont get mad  
You did your best  
and now its  
all in the past to stay

so I knew that it was  
in the Picture perfect world  
we can be more than before

I said it was  
I made it stronger  
in the Picture perfect world  
we can be more than before

I said it was  
I made it stronger
