

# All I Want Is You (feat. Naa Mercy)

**Joe Mettle**

(1) Running from you when I want to be with you  
Living for self, when I ought to live for you  
Holding back, when I need to give it all,  
So now I surrender, I surrender, Jesus to You.  
(With choir) Running from you when I want to be with you  
Living for self, when I ought to live for you  
Holding back, when I need to give it all,  
Now I surrender, I surrender, Jesus to You.

() Take everything, take everything, all I really want is you,  
Take everything, take everything, all I really want is you,  
Jesus is you, Jesus is you, Jesus is you, Jesus is you.

(verse 2)

Where can I go, could I ever hide from you?  
If I flew to the ends of the earth, still your love will find me there,  
Cos you search my heart, and you know my mind in extol.  
Lord I surrender, I surrender  
(Lord I surrender) Lord I surrender  
(I surrender), Lord I surrender  
(I surrender), I surrender to you  
(I surrender), Jesus (Jesus to You),  
To you, take everything... ()

() Take everything, take everything, all I really want is you,  
Take everything, take everything, all I really want is you,  
Jesus is you, Jesus is you, Jesus is you, Jesus is you.
