

Nemesis (Doomsday Machine - 2005)

Arch Enemy

We walk this earth
With fire in our hands
Eye for an eye
We are nemeses We are with you
On this vicious, oh
Fight, fighting for freedom
United, we stand, we stand We are a legion
Voice of anarchy
This is revolution
Creating new disorder We are enemy
Divided of the system
Crossing democracy
Trading it in this time, yeah One for all
All for one
We are strong
We are one One for all
All for one
We are one (nemeses) A malicious fever burns
In our hearts, In our veins
Your blood, My blood
All blood runs the same, the same One for all
All for one
We are strong
We are one One for all
All for one
We are one (nemeses) We are nemeses One for all
All for one
We are strong
We are one One for all
All for one
We are one (nemeses)
