A Friend Like You

Smash Into Pieces

It's way to late and I'm awake
You're on my mind
I'm writing down what I would say
If we would meet sometime again
Apologize for everything I have done'Cause I knew you more than most
I turned you close
A side that was beautifulI'm saying I'm sorry
I'm saying it's not okay
Tell me how
I could use a friend like you
I'm saying I miss you
I've never felt so ashamed
Right now
I could use a friend like youMy thoughts were clouded at the time
What did I think at all
What I stole belonged to you
(Along to you)
I know that you are not the same
Since you find out I'm number one to blame'Cause I knew you more than most
I turned you close
A side that was beautifulI'm saying I'm sorry
I'm saying it's not okay
Tell me how
I could use a friend like you
I'm saying I miss you
I've never felt so ashamed
Right now
I could use a friend like youAll the scars I gave to you
Only time can take away
Like the love I stole from you
We slipped away from each other
Wish for all the ways to make it up to you
And start over newMmm
I'm saying I'm sorry
I'm saying it's not okay
Tell me how
I could use a friend like you
I'm saying I'm sorry (sorry)
I'm saying it's not okay

Tell me how
I could use a friend like you
I'm saying I miss you
I've never felt so ashamed
Right now
I could use a friend like you
A friend like you/Legolas
