

Orestes

A Perfect Circle

Metaphor for a missing moment
Pull me into your perfect circle One womb
One shame
One resolve Liberate this will
To release us all Gotta cut away, clear away
Slip away and sever this
Umbilical residue that's
Keeping me from killing you And from pulling you down with me in here
I can almost hear you scream One more medicated peaceful moment
Give me
One more medicated peaceful moment And I don't wanna feel this overwhelming
Hostility
I don't wanna feel this overwhelming
Hostility We gotta cut away, clear away
Slip away and sever this
Umbilical residue Gotta cut away, clear away
Slip away and sever this
Umbilical residue that's
Keeping me from killing you Slip away and sever this
Keeping me from killing you
