

Rose Colored Glasses

[LeAnn Rimes](#)

I don't know why I keep on believing you need me
When you've proved so many times that it ain't true
And I can't find one good reason for staying
Maybe by leaving would be the best for you But these rose colored glasses
That I'm looking through
Show only the beauty
'Cause they hide all the truth And they let me hold on to the good times, the good lines
The ones I used to hear when I held you
And they keep me from feeling so cheated, defeated
When reflections in your eyes show me a fool These rose colored glasses
That I'm looking through
Show only the beauty
'Cause they hide all the truth
