

I Do

Gin Wigmore

Starlight kicking around without you by my side makes me feel all right
Start this day as new
Until I wake up
Find myself in our breakup
Today ain't gonna be great but
Can we ride this through?
You know I need you sometimes And I'll hold on to why
Don't matter what my reasons are I still do love you
I do I do, I do I do I do I choose you, So why don't you choose me too?
It's no mistake or a lonely day I want you
I can change babe my bitter, cold and dark days are staying away when I see you
And your beautiful ways
To be high, low, stop, go I don't know But if your thinking 'bout leaving me, no no no
We can get through it, just let us do it

You know I need you sometimes and I'll hold on to why
Don't matter what my reasons are I still do love you
And I do, I do I do I do I choose you, So why don't you choose me too?
It's no mistake or a lonely day I want you, so why don't you want me too?
I do I do I do I...
I do I do, I do I do I do I choose you So why don't you choose me too?
It's no mistake no, it's not even a lonely day n I want you, so why don't you want me too?
I do I do I do I do I do I choose choose you I choose you,
So why don't you choose me too?
Mmm yeah It's no mistake no, it's not even a lonely day and I want you,
so why don't you want me too?
I do I do, I do I do
