

# I Won't Cut My Hair (LP Version)

## D-A-D

I got hair in my ears  
I got hair in my nose  
I got hair on my back  
And between my toes  
When the time comes & my hairwash is due  
I'm gonna use one ton of shampoo  
But don't give me those sentimental eyes  
Coz I'm proud & my hair is nice It's not fair when people they stare  
I love the colors I wear  
I wont cut my hair  
I wont cut my hair  
Oh no, I wont cut my hair  
Coz I'm proud of my hair And like in the funny fairytale  
I dry my hair the Rapunzel way  
U just climb up the six floors  
To my hairy home  
& I fix u a smoke in the blend of my own  
Yeah, I'll make u a hot pot of tea  
Take off your clothes feel free  
And get down in my hair  
And make me insane  
Lets get airborne on window pain It's not fair when people, they stare  
I love the colors I wear  
And I won't cut my hair No, I'll die without my hair! Yeah right, I'm playin' in the band  
And I would love to be your private Disneyland  
I'll be your own amusement park  
Then you can ride me  
And ride me after dark  
If they send me to the row of death  
For having illegal dough  
I'll rush my last meal  
Before's the chair  
Cheeseburger french fries 'n' a coke  
And then I'll die with my hair Take those scissors away  
(something) breath  
A crew cut to me is the same as my death  
Hair  
I wont cut my hair 'Cause I'm proud and my hair is nice  
I love my hair

I'm in love with my hairI'm in love with my haaaaaiir
