

# Every Little Bit Hurts

Alicia Keys

Yeah, yeah  
Every little bit hurts  
Every little bit hurts Every night I cry  
Every night I sigh  
Every night I wonder why  
You treat me cold  
Yet you won't let me go Every little hurt counts  
Every little hurt counts  
Say, you're coming home  
Yet you never phone  
Leave me all alone  
My love is strong for you  
I'd do wrong for you I can't take this loneliness  
You give me, yeah  
I can't go on  
Giving my life away, yeah Come back to me  
Darling, you'll see  
I can give you everything  
That you wanted before  
If you will stay with me Oh, yeah  
Every little bit hurts  
Y'all know  
Every little bit hurts To you, I'm a toy  
And you're the boy  
Who gets to say  
When I should play  
Yeah, you hurt me  
Desert me Come back to me  
Darling, you'll see  
I can give you everything  
That you wanted before  
If you'll stay with me Oh, yeah  
Every little bit hurts  
Every little bit hurts  
Oh no, every little bit hurts me, baby, oh yeah Say, yeah  
Yeah, say, yeah  
Say, yeah, yeah  
Oh, oh, oh  
Yeah, yeah, yeah, yeah

Oh, oh, oh  
You hurt me, baby  
You made me feel so sad inside Yeah, every night I cry  
Every night I sigh  
Every night I wonder why  
You treat me cold  
Oh, you treat me so cold  
Don't you know every little bit hurts me, baby?
