

Is That All There Is? (Peggy Lee)

PJ Harvey

I remember when I was a girl
Our house caught on fire
And I'll never forget the look on my father's face
As he gathered me in his arms and raced to the burning building out on the pavement
And I stood there shivering
And watched the whole world go up in flames
And when it was all over
I said to myself
Is that all there is to a fire?
Is that all there is? Is that all there is?
If that's all there is, my friends, then let's keep dancing
Let's break out the booze and have a ball
If that's all there is And when I was twelve years old
My daddy took me to the circus
The greatest show on earth
And there were clowns
And elephants
Dancing bears,
And a beautiful lady in pink tights flew high above our heads
And as I sat there watching
I had the feeling that something was missing
I don't know what
But when it was all over
I said to myself
Is that all there is to the circus Is that all there is?
If that's all there is, my friends, then let's keep dancing
Let's break out the booze and have a ball
If that's all there is And then I fell in love
With the most wonderful boy in the world
We'd take long walks down by the river
Or just sit for hours gazing into each other's eyes
We were so very much in love
And then one day
He went away
And I'd thought I'd die
But I didn't
And when I didn't
I said to myself
Is that all there is to love Is that all there is?

If that's all there is, my friends, then let's keep I know what you must be saying to yourselves

If that's the way she feels about it

Then why doesn't she just end it all

Oh no. not me. I'm not ready for the final disappointment

Cause I know just as well as I'm standing here talking to you

That when that final moment comes

And I'm breathing my last breath

I know what I'll be saying to myself

Is that all there is? Is that all there is?

If that's all there is, my friends, then let's keep dancing

Let's break out the booze and have a ball

If that's all there is
