

# How Bad Do You Want It

Tim McGraw

Father Johnson went to the crossroads  
So the Legend goes  
He lived with his guitar and the Devil took his soul  
The Devil took his soul Been out here on this highway  
Breathin' diesel smoke  
Drivin' hard for hours  
Tryin' to make that Memphis show People always ask me  
"Son what does it take  
To reach out and touch your dreams?"  
To them I always say Are you hungry? Are you thirsty?  
Is it a fire that burns you up inside? How bad do you want it?  
How bad do you need it?  
Are you eatin', sleepin', dreamin'  
With that one thing on your mind? How bad do you want it?  
How bad do you need it?  
'Cause if you want it all  
You've got to lay it all out on the line I get to make my livin'  
Doin' what I love  
Every night I give my heart and soul  
Sometimes that ain't enough But brother, if you're like me  
Lookin' down that road  
Be careful of that wild wind, son  
Sometimes it don't let go Can you feel it? Can you taste it?  
Can you hear it? Ohh, knockin' at your door? How bad do you want it?  
How bad do you need it?  
Are you eatin', sleepin', dreamin'  
With that one thing on your mind? How bad do you want it?  
How bad do you need it?  
'Cause if you want it all  
You've got to lay it all out on the line That's right There's always a price you pay  
No matter what you do  
If you're gonna climb that mountain to the top  
It always comes down too How bad do you want it?  
How bad do you need it?  
Are you eatin', sleepin', dreamin'  
With that one thing on your mind? How bad do you want it?  
How bad do you need it?  
'Cause if you want it all  
You've got to lay it all out on the line Preach on brother Father Johnson went to the crossroads

So the Legend goes  
He lived with his guitar and the Devil took his soul  
The Devil took his soul
