

Day to Day

The Ting Tings

Advisory - the following lyrics contain explicit language:

If you wanna be with someone
When you wanna play in the sun
If you wanna share what you find
When you got a lot on your mind
You can say what you wanna say
(Say what you wanna say) When you gotta be somewhere else
If you're gonna travel the world
If you wanna send me a line
When you've gotta hide all the time
You can do what you wanna do Everyday we'll mean it, respect it
Put it out, neglect it
Talk it through or face it
Tear it up, replace it
Win some, lose some
Find out we use some
Bend the rules and have fun
Someone you count on
You can be my friend if we had a bit in common
Honesty, trouble free
Someone to depend on You can be my friend if you wasn't such a flyer
Yes staying alive, taking a dive
You could've been a good friend of mine [CHORUS]
Day to day,
Day to day to day
[Repeated 3x] When you need someone to blame
When you know they'll be there again
In a world messed up for me
I gotta find some loyalty
Be what you wanna be
So you took it out on someone
Nothing that can't be undone
If you wanna turn out the light

If you think everything's right
Feel what you wanna feel Because everyday we'll mean it, respect it
Put it out, neglect it
Talk it through or face it
Tear it up, replace it
Win some, lose some
Find out we use some
Bend the rules and have fun
Someone you count on
You can be my friend if we had a bit in common
Child's play, roll in the hay
Someone to depend on You can be my friend if you wasn't such a flyer
Yes staying alive, taking a dive
You could've been a good friend of mine [CHORUS] You can call, you can go,
If you fall, you will know
How to feel, be for real
Staying alive, taking a dive, you coulda been a good friend of mine.
Child's play, roll in the hay
Someone to depend on
Honesty, trouble free,
You could've been a good friend of mine [CHORUS]
