

# We Can Work It Out

## Humble Pie

Try to see it my way  
Do I have to keep on talking till I can't go on?  
While you see it your way  
Run the risk of knowing that our love may soon be gone  
We can work it out, we can work it out. Think of what you're saying  
You can get it wrong and still you think that it's alright  
Think of what I'm saying  
We can work it out and get it straight or say goodnight  
We can work it out, we can work it out.  
Life is very short and there's no time  
For fussing and fighting my friend  
I have always thought that it's a crime  
So I will ask you once again. Try to see it my way  
Only time will tell if I am right or I am wrong  
While you see it your way  
There's a chance that we may fall apart before too long  
We can work it out, we can work it out. Life is very short and there's no time  
For fussing and fighting my friend  
I have always thought that it's a crime  
So I will ask you once again.  
Try to see it my way  
Only time will tell if I am right or I am wrong  
While you see it your way  
There's a chance that we may fall apart before too long  
We can work it out, we can work it out.
