

# Overprotected (The Darkchild Remix)

## Britney Spears

I need time, love, joy  
I need space, love, now, I need me  
Say hello, to the girl that I am  
You're gonna have to see through my perspective  
I need to make mistakes, just to learn who I am  
And I don't wanna be, so damn protected  
There must be another way  
'Cause I believe in takin' chances  
But who am I to say  
What a girl is to do?  
God, I need some answers  
What am I to do, do with my life?  
(You'll find it out, don't worry)  
How am I supposed to know what's right?  
(You just gotta do it your way)  
I can't help the way I feel  
But my life has been so overprotected  
I tell 'em what I like, what I want, and what I don't  
But every time I do, I stand corrected  
Things that I've been told  
I can't believe what I hear about the world  
I realize I'm overprotected  
So there must be another way  
'Cause I believe in takin' chances  
But who am I to say  
What a girl is to do?  
God, I need some answers  
What am I to do, do with my life?  
(You'll find it out, don't worry)  
How am I supposed to know what's right?  
(You just gotta do it your way)  
I can't help the way I feel  
But my life has been so overprotected  
I need time, love, I need space  
This is it  
I don't need nobody tellin' me just what I wanna  
What I want, or what I'm gonna  
(I need)  
Do about my destiny  
(I say no, no)  
Nobody's tellin' me just what I wanna  
(Do, do)  
I'm so fed up with people tellin' me to be  
Someone else but me, yeah  
What am I to do, do with my life?  
(You'll find it out, don't worry)  
How am I supposed to know what's right?  
(You just gotta do it your way)  
I can't help the way I feel

But my life has been so overprotected  
I don't need nobody tellin' me just what I wanna  
What I want, or what I'm gonna  
Do about my destiny  
(I say no, no) Nobody's tellin' me just what I wanna  
(Do, do)  
I'm so fed up with people tellin' me to be  
Someone else but me What am I to do, do with my life?  
(You'll find it out, don't worry)  
How am I supposed to know what's right?  
(You just gotta do it your way)  
I can't help the way I feel  
But my life has been so overprotected
