Night Games

Charley Pride

When that neon sun comes up

In the evening

And that warm red wine and the memories

Start to flowYou'll find me there

With all the others

Just looking for love

The only way we knowOh, we're playing night games

(Oh, we're playing night games)

Love at first sight games

(First sight games)

The only way to fight pain

Under the neon lightsOh, we're playing night games

(Oh, we're playing night games)

Looking for the right things

(Right things)

Hoping that it might bring

Two hearts together tonightNow if you're sitting alone tonight

And feeling lonely

And you can hear that jukebox

Calling youAnd if you think it's time

You found somebody

(Somebody)

Just come on down

And do what we all doOh, we're playing night games

(Oh, we're playing night games)

Love at first sight games

(First sight games)

The only way to fight pain

Under the neon lightsOh, we're playing night games

(Oh, we're playing night games)

Looking for the right things

(Right things)

Hoping that it might bring

Two hearts together tonightOh, we're playing night games

(Oh, we're playing night games)

Love at first sight games

(First sight games)

The only way to fight pain

Under the neon lightsOh, we're playing night games

(Oh, we're playing night games) Looking for the right things
