

# Any Other Day

## Bon Jovi

Alarm clock rings at 6:45  
Must have hit that snooze button at least 3 times  
I'm wishing this morning was still last night  
On any other day, I just might wanna die  
Traffic's backed up 20 miles to the east  
Must have hit every damn red light on the street  
Weatherman says it's gonna rain for a week  
Hey, what can you do?  
On any other day, I feel blue eyes cryin'  
I could tell the world that at least I'm tryin'  
The cloud is breakin', the sun is shinin' new  
For me and you  
On any other day, I might just go crazy  
The way to going, to gonna save me  
Baby, luck and love will put us through  
On any other day, I might just stay in bed  
Sit down in a silk blankets, pull 'em up over my head  
Catch the papers in the morning, just to get a little edge  
To me, they just get up and down and to do it all again  
Hey, I like where this is going  
Yeah, 'cause I know where it's been  
On any other day, I feel blue eyes cryin'  
I could tell the world that at least I'm tryin'  
The cloud is breakin', the sun is shinin' new  
For me and you  
On any other day, I might just go crazy  
The way to going, to gonna save me  
Baby, luck and love will put us through  
On any other day, yeah, yeah  
Alarm clock rings, it's 6:45  
I like waking up with you on my mind  
Now you're savin' me one more time  
On any other day, I feel blue eyes cryin'  
I could tell the world that at least I'm tryin'  
The cloud is breakin', the sun is shinin' new  
For me and you  
On any other day, I might just go crazy  
The way to going, to gonna save me  
Baby, luck and love will put us through  
On any other day, yeah, yeah, whoa  
Any other day  
On any other day, I feel blue eyes cryin'  
I could tell the world that at least I'm tryin'  
The cloud is breakin', the sun is shinin' new  
For me and you
