

Skinny Little Bitch

Hole

Skinny little bitch
Staring at the mirror
in your desperation to disappear
And you would be oh so dumb to fuck with me
'Cause baby you're much too young to end up with me
Your bedroom walls are fallin' down
Everyone can see you now
Your bedroom walls [suffer cheap?]
You lie, you lie alone
You lie alone, you never sleep
How you never sleepOw!Skinny little bitch
prayin to the lord
Praying for some salvation
'Cause she's just so bored
in my fire sex horror cheap drugs hell
And all the things you'll never live to tell
You will never see the light
I'll just obscure it out of spite
You're just a nasty piece of work
Come, come on baby, come on baby let it burn
Oh baby does it hurtBorn of foul creation
Born of sour milk
and cocaine filthYou stabbed your heel on broken glass
So I could kick your scrawny ass
And all the drugs and all the burns
What a nasty
What a nasty
Nasty piece of work
Oh baby does it hurt
Oh baby just go slower
Oh baby just go lower
Skinny little bitch (X9)
