

# Knockdown

## Jerome Isma-Ae

When I lay it all out on the table  
Don't know what is stopping me  
From feeling like I might be able  
To enjoy my own company  
Sitting up by my window  
Watching the summer rain  
The world is moving faster  
Than I am in it today

Knockdown  
Everybody in the place say what now  
Ya souls feeling shot down  
Lucks out  
But ya gotta carry on  
Speed it up now  
Woo Woo Woo Woo  
Knockdown  
Everybody in the place say what now  
Ya souls feeling shot down  
Lucks out  
But ya gotta carry on  
Speed it up now

Oh yeah I got the feeling  
That something could happen now  
Oh I got the feeling  
That something could happen inside my life now  
And have you ever asked why you've been here before  
Cos only you have the power to carry on through that door

Knockdown  
Everybody in the place say what now  
Ya souls feeling shot down  
Lucks out  
But ya gotta carry on  
Speed it up now  
Woo Woo Woo Woo  
Knockdown  
Everybody in the place say what now

Ya souls feeling shot down

Lucks out

But ya gotta carry on

Speed it up now
