I Melt With You

Mest

Moving forward using all my breath
(All my breath)
Making love to you was never second best
(Never second best)
I saw the world crashing all around your face
(All around your face)
Never really knowing it was always mesh and laceI'll stop the world and melt with you
You've seen the difference and it's getting better all the time
And there's nothing you and I won't do
I'll stop the world and melt with you(We should know better)
Dream of better lives, the kind which never hates
(We should see)
Trapped in a state of imaginary grace
(We should know better)
I made a pilgrimage to save this human's race
(We should see)
Never comprehending a race that's long gone by(Let's stop the world)
I'll stop the world and melt with you
(Let's stop the world)
You've seen the difference and it's getting better all the time
And there's nothing you and I won't do
(Let's stop the world)
I'll stop the world and melt with youThe future's open wideI'll stop the world and melt with you
(I'll stop the world)
You've seen some changes and it's getting better all the time
And there's nothing you and I won't do
(I'll stop the world)
I'll stop the world and melt with youThe future's open wideI'll stop the world and melt with you
(I'll stop the world)
You've seen the difference and it's getting better all the time
And there's nothing you and I won't do
(I'll stop the world)
I'll stop the world and melt with youI'll stop the world and melt with you
(I'll stop the world and melt with you)
I'll stop the world and melt with you
(I'll stop the world and melt with you)
