

Arms Around Me (feat. La Green Eyez)

[Nili Reyy](#)

[Intro: Nili Reyy]

Yea.. My lovely princess, my beautiful daughter, This one's for you right here..

[Course: La Green Eyez]

Some people say I up and left you alone //
Just know I got your back until the day that I'm gone //
So wont you wrap your arms around me baby //
I hope that you're not mad cause I stayed on my grind //
I only started hustling just to make you a dime //
So won't you wrap your arms around me baby //

[Verse #1: Nili Reyy]

I'm sorry how I miss you, I'm sorry I'm not with you //
And I'm sorry that daddy just choose a life that's so sinful //
That's your father though so as you grow I hope you learn to love me //
Cause everyone around has tried nothing but to judge me //
And it's funny cause I'm trying to achieve a dream just like you should //
But in result it only seems to replay my childhood //
Your my heavenly Rosee and just so everyone knows //
Navaeh I don't regret you I love you cause your my own //
Like your sister you're the song within my soul //
And no matter how far apart baby I'm never letting go //

[Verse #2: The Ridiculous Child]

Yea, Nili Reyy...

I know as the days pass by your heart is getting close to me //
I'll wrap you in my arms baby that's where your suppose to be //
Hold me in your heart hunny never let go of me //
For ever I am yours cause your love just takes control of me //
Fuck a Step Father girl I got you //
Tell that dude to hit the road or else my daddy's swinging on you //
Your my love your my princess your my all //
And no matter what is the outcome my love will never fall //

[Outro: Nili Reyy]

Ay Yo! Nevaeh I know there's a lot of talk back and forth saying that I'm a bad father and all,
But don't you mind all that.. Just know that I love you.. You're the song to my soul Yea Nili Reyy...
