Graceland

Charlie Sexton

Yes I've never been to Graceland,
Never took that trip
Cause Id rather think of Elvis as
A crazy Memphis Kid.
Yeah I never flew to Vegas
Cept once on a plane
Never left the airport
Aint going back again
Yes I've never been to Graceland
Never took that trip
Cause id rather think of Elvis as
A crazy Memphis kidYes I've never been to Mexico
But I've seen a Georgia peach
Some people say he's crazy
But I love to hear him preach
All around the world
From London to Japan
I still cant quite explain it
but the little girls they understandYes I never been to Graceland
Never took that trip
Cause Id rather think of Elvis as a crazy Memphis kid
Oooooh crazyWell now when I was a young boy
I didn't have a plan
But a guitar fiddle for learning
A ukulele in my hand
Sometimes things get tough down here
Nothing you can say
But as long as there's a guitar here im gonna have to playYes I never been to Graceland
Never took that trip
Cause Id rather think of Elvis as
A crazy Memphis Kid.Yes I never been to Graceland
Never took that trip
Cause Id rather think of Elvis as
A crazy Memphis, a crazy Memphis, a crazy Memphis Kid.
