Suicide Machine

No Fun at All

I don't need no one to put a gun to my head
No I can do that better than anyone else
Oh things are working out pretty good for me
'Cause I'm the greatest suicide machineYeah I'm the greatest suicide machine
I'm the greatest suicide machine
I'm the greatest suicide
So come and see me take my own lifeYou don't seem to know what I'm talking about
But come to peace with life is all that I want
Oh things are working out pretty good for me
'Cause I'm the greatest suicide machine
