

# Heartless

[Samantha Jade](#)

in the night i hear them talk coldest story ever told somewhere far along the road he lost his soul to a woman so  
heartless oh ohhhh how could you be so heartless? oh ohhhh how could you be so cold as the winter wind  
windbreeze you just remember you were talking to me though you need to watch the way your talking to me you  
got a new friend well i got homies and in the end your still so lonely in the night i hear them talk coldest story  
ever told somewhere far along the road he lost his soul to a woman so heartless ohhhh how could you be so  
heartless oh how could you be so devil ya bringin out of me that i dont know i decided we aint gonna speak so  
worry 3 am on the phone i wont mess my groove up cos i already know how it goes in the night them talk  
coldest story ever told somewhere far along the road he lost his soul to a woman so heartless ohhh how could you  
be so heartless ohhh i know you cant believe i should just leave it wrong im gonna take of tonight. into the night i  
hear them talk coldest story ever told somewhere far along the road he lost his soul to a woman so h-----less how  
could you be so heartless
