Someone For Everyone

Jamie Lawson

All my friends and lovers, there's something I'd like to say
If you feel you've lost a little faith along the way
If you ever wondered how you came to be here
I need to tell you that you've got nothing to fearThere are reasons for the way that this world works
There are reasons I know, sometimes it still hurtsDon't worry, don't worry, if you can't find love in a hurry
Don't fret, don't fret, 'cause love's not giving up yet
It's hard-won, hard-won, and love doesn't care what you've done
There's someone here for everyoneNow all my sisters, brothers, all of my sibling's sons
All my childhood lovers, and others that I've run fromThere are reasons for the way that this world spins
There are reasons, and if you can't find your way inDon't worry, don't worry, if you can't find love in a hurry
Don't fret, don't fret, 'cause love's not giving up yet
It's hard-won, hard-won, and love doesn't care what you've done
There's someone here for everyoneAnd if you're still waiting for that chance to come your way
Hold on, hold on, hold on
Everyone
EveryoneThere are reasons for the way that this world works
There are reasons I know, sometimes it still hurtsDon't worry, don't worry, if you can't find love in a hurry
Don't fret, don't fret, 'cause love's not giving up yet
It's hard-won, hard-won, and love doesn't care what you've done
There's someone here for everyoneThere's someone here for everyone
Someone here for everyone
