Tennessee

Meg Myers

Gee wiz, that's a pretty awesome headband bra
It really turns me on
Not
Wait what
Your band's playing an abandoned synagogue tonight?
I don't think so
God I miss TennesseeOoooooh yea
I just want a little Tennessee
Give me that Tennessee
Oooooooh yea
I just want a little Tennessee
Give me that TennesseeOh my god
Is that a mustache tattoo on your finger?
I've never seen that before
Sike
Wait what
You wanna go to Little Joy on your vespa?
I don't think so
God I miss TennesseeOoooooh yea
I just want a little Tennessee
Give me that Tennessee
Oooooooh yea
I just want a little Tennessee
Give me that TennesseeWhoa man
So you like, don't have a last name?
That's genius
Douche
Wait what
Your friend drives a vegan bbq truck?
I don't think so
God I miss TennesseeOoooooh yea
I just want a little Tennessee
Give me that Tennessee
Oooooooh yea
I just want a little Tennessee
Give me that TennesseeAnd all the people die
