

# Dark Skies

## Nero

Dark skies  
Dark skies  
Dark skies and heavy rain  
Bright lights and cocaine

Power, control  
After dark  
Don't trust who you think you know  
Night life, obey the rules  
Run these streets  
Don't, don't accept defeat  
Cruise in the fast lane  
Take, take or donate

Dark skies and heavy rain  
Bright lights and cocaine

Dark skies and heavy rain  
Dark skies

Power, control  
After dark  
Don't trust who you think you know  
Night life, obey the rules  
Run these streets  
Don't, don't accept defeat  
Cruise in the fast lane  
Take, take or donate

Dark skies and heavy rain  
Bright lights and cocaine
