# Breaking Me Down (feat. Razan)

## Amro El Meligy

Iâ€™m falling for you, donâ€™t know what to do
Iâ€™m getting out of control, yet canâ€™t seem to know
Why youâ€™re doing this to me

Iâ€™m trapped in this game, itâ€™s full of pain
Get me out of here, Get me out of here
Get me out of here, Get me out of here

Love is blind, Love is pain
Love wonâ€™t stop breaking me down

Itâ€™s breaking me down, itâ€™s breaking me down
Itâ€™s breaking me down, itâ€™s breaking me down

Iâ€™m dying for you, sacrificing for you
Iâ€™m losing it all, yet canâ€™t seem to know
Why youâ€™re doing this to me

Iâ€™m trapped in this game, itâ€™s full of pain
Get me out of here, Get me out of here
Get me out of here, Get me out of here

Love is blind, Love is pain
Love wonâ€™t stop breaking me down

Itâ€™s breaking me down, itâ€™s breaking me down
Itâ€™s breaking me down, itâ€™s breaking me down

Breaking me down, Breaking me down, Youâ€™re breaking me down
Get me out of here, Cause Iâ€™ve been hanginâ€™ there for long
