

# Travel Through a Strange Emotion

## Mercyless

Colours are quite unchanged  
On green and white serenely thrives  
Heroic death on the battlefield  
Tragic elements of compassion  
Believe me now father  
I was born in hate  
Bathing with humanity  
I assume my threats Some say the world will end in fire  
Some say in ice  
Life is... of course  
A long happy joke  
Emerging from emotions  
Look across at the shadowed globe  
The dark of sleepless minds  
Floating there in space  
I'll tear free from the reins of earth  
To head out towards a strange emotion [Lead Max, Sstephane]  
Abandoned in my tragic dreams  
I accepted the inevitable  
See the spume of winds  
Reap the recital of God  
Millions of crying souls  
Martyr of the world  
Masochist with a gun  
Over the wall of sickness [Lead Stephane]
