

# It Had to Be You

Harry Connick, Jr.

It had to be you  
It had to be you  
I wandered around  
And finally found  
Somebody who  
Could make me be true  
Could make me be blue  
Or even be glad  
Just to be sad  
Thinking of you Some others I've seen  
Might never be mean  
Might never be boss  
Or try to be cross  
But they wouldn't do  
For nobody else gave me a thrill  
With all your faults I love you still  
It had to be you, wonderful you  
It had to be you
