

If Anyone Falls (Remastered)

Stevie Nicks

I hear a voice
In the room next to mine
Feels good, sounds good
Closes the door from behind
And then another voice
Comes through the door I am dealing with a man
When away from me
Stays deep inside my heart
And he says if anyone falls in love
It will be one of us If anyone falls in love
Somewhere in the twilight, dream time
Somewhere in the back of your mind
If anyone falls
And I heard someone say
As my eyes turned away
He said, "I have loved many women
I have many times run away" Ooh, I have never known the words
Well, I have tried to be true
But I have never known what to say
How to say, seen anything today
I've never seen anything like you If anyone falls in love
Somewhere in the twilight, dream time
Somewhere in the back of your mind
If anyone falls So, I'm never gonna see you
(Never gonna see you)
Deep inside my heart
But I see your shadow against
Shadow against, shadow against the wall
Baby, I see your shadow against the wall
I hear a voice
In the room next to mine
Feels good, sounds good
Closes the door from behind
And then another voice
Comes through the door Ooh, I am dealing with a man
When away from me
Stays deep inside my heart
And he says if anyone falls in love
It will be done to us If anyone falls in love (anyone)

Somewhere in the twilight, dream time
Somewhere in the back of your mind
(In the back of your mind)
If anyone falls If anyone falls in love (anyone)
Somewhere in the twilight, dream time
Somewhere in the back of your mind
(In the back of your mind)
