

Make It Mine (From the Casa Nova Sessions)

Jason Mraz

Wake up everyone
How can you sleep at a time like this
Unless the dreamer is the real you
Listen to your voice
The one that tells you to taste past the tip of your tongue
Lip and the neck will appear I don't wanna wake before
The dream is over
I'm gonna make it mine
Yes I... I know it
I'm gonna make it mine
Yes I'll make it all mine I keep my life on a heavy rotation
Requesting that it's lifting you up
Up up and away
And over to a table at the gratitude cafe And I am finally there
And all the angels they'll be singing
Ah la la la ah la la la I la la la love you I don't wanna wake before
The dream is over
I'm gonna make it mine
Yes I... I know it
I'm gonna make it mine
Yes I'll make it all mine And timing's everything
And this time there's plenty
I am balancing
Careful and steady
And reveling in energy that everyone's emitting I don't wanna wait no more
No I wanna celebrate the whole world
I'm gonna make it mine
Because I'm following your joy
I'm gonna make it mine
Because I I am open
I'm gonna make it mine
Yes I... I'm gonna show it
Yes I'm gonna make it mine
It's mine
Yes I will make it all mine
