

# When the Sun Don't Shine

## Best Coast

I just wanna tell you  
That I always loved you  
I just wanna tell you  
That I always loved you I just wanna tell you  
That I always miss you  
I just wanna tell you  
That I always miss you When the sun don't shine  
You are mine  
When the sun don't shine  
You are mine  
Mine  
Mine
