

# Best You Can Get

## Veruca Salt

She's crazy and shit  
She shows off her tits  
She's just a corn-fed white-bred chick  
Born in her own zip code  
She comes with a cool car  
She'll never have to pay for it  
What will she do without you  
What will she do without you  
What will she do?  
He's not afraid of the future  
He's hot off the platter  
He's been handed a blank check  
Phi beta date rape ya  
He's sprung an agenda  
He's got a place to put it

What will he do without you  
What will he do without you  
What will he do without you  
What will he do?  
Is this the best that you can get?  
Is this the best that you can get?  
Is this the best that you can get?  
What did you expect?  
I'm not afraid of the ocean  
Afraid of devotion  
I've got the balls to prove it  
What would I do without you  
What would I do without you  
What would I do without you ...  
What would I do? ...
