Cold Day In Hell

Advisory - the following lyrics contain explicit language:

So many times you tried to take the best of me
So many times, now you're gonna take the rest of me
Better look at what you're doing, before it's too late
It's a fine line you're treadin' between love and hateThere'll be a cold day in hell before I'm coming back to
youSo many times you tried to play a dead end game, yes, you did
Oh, I tried to tell you, but you'd never wanna take the blame
Now you've pushed me to the limit and I can't take no more
You'd better take one last look before I'm out the doorThere'll be a cold day in hell before I'm coming back to
you
You never listened when I told you that you were way out of line
Too busy talkin' to listen, accusing me of telling liesSo many times, you tried to get the best of me, yes, you did
So many times but now you're gonna take the rest of me
Well, it's too late for sorry and it's too late for tears
Better take one last look before I disappearThere'll be a cold day in hell before I'm coming back to you
There'll be a cold day in hell before I'm coming back to you
There'll be a cold day in hell before I'm coming back to you
YeahGonna be a cold day in hell
Gonna be a cold day in hell
Gonna be a cold day in hell
Gonna be a cold day in hellGonna be a cold day in hell
Gonna be a cold day in hell
Gonna be a cold day in hell
It's gonna be a cold, cold day in hell
