Two Stories Wide

The Highwaymen

Come out of the darkness
Don't hide in the night
Come out in the sunshine
And we'll be alrightLife's too long to worry
And it's too short to cry
And it's too deep to measure
And it's too stories wideThere's your side and my side
Which side do you need?
Both sides make you lonely
And make your heart bleedLife's too long to worry
And it's too short to cry
And it's too deep to measure
And it's too stories wideLife's too long to worry
And its too short to cry
And its too deep to measure
And its too stories wideLife's too long to worry
And its too short to cry
And its too deep to measure
And its too stories wide
