

The Blood (Reprise)

Joshua Rogers

Verse:

I've been saved and delivered,
By nothing but the blood.
I've been reconciled and redeemed,
By nothing but the blood.
I've been healed and made free,
By nothing but the blood.
He paid it all on the cross,
And you didn't think twice about the cost.
You gave your life as a gift,
Now it's for the love of you that I live. Verse
