

# Cool

## CoCo Lee & Joon Park

Must thing that Im an actress cause  
you played the role  
You came with so much drama that  
tickets should be sold  
If my life is a movie then can i direct  
Your performance isnt working  
so please get off my set.  
Sorry if im real with this  
But im no longer feeling it  
Hope that you can deal with  
I gotta keep it moving  
It was cool while it lasted  
But yous a fool so i gotta let you go  
You broke the rules, i cans have that  
You wanna get back with me... no, no, im cool  
In the beginning you were my MVP  
But now you warm the bench and you  
cannot play for me  
It seems your game is lacking but  
still want the ball  
At the buzzer took the final shot  
but you still cant hit the hole.  
Sorry if im real with this  
But im no longer feeling it  
Hope that you can deal with  
I gotta keep it moving  
It was cool while it lasted  
But yous a fool so i gotta let you go  
You broke the rules, i cans have that  
You wanna get back with me... no, no, im cool  
You were the star in my picture show  
Gave a performance that was all so memorable  
Like most leading men, youre a basket case  
(On the floor is your face)  
and your best scenes have been erased.It was cool while it lasted  
But yous a fool so i gotta let you go  
You broke the rules, i cans have that  
You wanna get back with me... no, no, im cool  
You wanna get back with me.no, im cool

I gotta let you go

Fun while it lasted

But yous a fool

You wanna get back with me No, im cool

It was cool while it lasted

But yous a fool so i gotta let you go

You broke the rules, i cans have that

You wanna get back with me... no, no, im cool you wanna get back with me... no, im cool

you wanna get back with me... no, im cool
