Hoodoo Voodoo

Black Star Riders

Hoodoo voodoo, seven, twenty-one, two
Haystacka, hostacka, A B C
High poker, low joker, ninety-nine to zero
Sidewalk, streetcar, dance a goofy dance
Black birdy, blue jay, one, two, three, four
Trash sack, jump back, E F G
Biggy hat, little hat, fatty man, skinny man
Grasshopper, green snake, hold my hand
Hoodoo voodoo, chooka chooky choo choo
True blue, how true, kissle me now
Momma cat, Tommy cat, diapers on my clothes line
Two, four, six, eight, I run and hide
Pretty girl, pretty boy, pony on a tin can
I'll be yours, you'll be mine
Hoodoo voodoo, chooka chooky choo choo
True blue, how true, kissle me now
Jinga jangler, tinga lingle, picture on a bricky wall
Hot scamper, foamy lather, huggle me close
Hot breeze, old cheese, slicky slacky fishy tails
Brush my hair, kissle me some more
Hoodoo voodoo, chooka chooky choo choo
True blue, how true, kissle me now
Hoodoo voodoo, chooka chooky choo choo
True blue, how true, kissle me now, kissle me now
Brush my hair and kissle me some more
Kissle me some more, oh kissle me some more
Oh oh, kissle me some more, brush my hair
