

Here I'll Stay

Dee Dee Bridgewater

There's a far place, I'm told
Where I'll find a field of gold
But here I'll stay with you And they say there's an isle deep with clover
Where your heart wears a smile all day through But I know, well, they're wrong
And I know where I belong
And here I'll stay with you For that land is a sandy illusion
It's the theme of a dream gone astray
And the world others woo
I can find loving you and so here I'll stay
