

Our Love Comes Back

[James Blake](#)

You know how we've grown
And how they catch our every turn
Everyone's arrived here
I see the pictures of everyone
And they truly got it
But it's your image burned into my mind
And again I find
That it's worth the climb
And I love
That it's right on time
Our love comes back in the middle of the night
Our love comes back in the middle of the night
Our love comes back in the middle of the night
