

Pleasure (Pleasure)

Bang Camaro

Rock it right!
Bring the night!
We don't care as long as you come tonight! We can tell you're watching us, baby
We're on a roll.
We can tell you're watching us, honey
We're in control Pleasure! (Pleasure!)
Let your feelings come alive!
Pleasure! (Pleasure!) (Ooooh yeah!)
Until the Daymoon-rise! Rock it up!
Lock it down!
We're going all night so, baby, keep your boots on the ground! We can tell you're watching us, baby
We're on a roll.
We can tell you're watching us, honey
We're in control Pleasure! (Pleasure!)
Let your feelings come alive!
Pleasure! (Pleasure!) (Ooooh yeah!)
Until the Daymoon-rise! Rock it up! (Rock it up, rock it up)
Lock it down! (Lock it down, Lock it down.)
Rock it right! (Rock it right, rock it right.)
Bring the night! (Bring the night, bring the night.) Pleasure! (Pleasure!)
Let your feelings come alive!
Pleasure! (Pleasure!) (Ooooh yeah!)
Until the Daymoon-riiiiiiiiiiiiiiiiiiiiiise!
