

# Hope I Die

John Paul White

As you go, I won't bleed forever  
Over a time, the worlds will turn to leather  
If I survive, I will reach for someone new  
Hope I die  
I hope I die  
Before I do  
Before I do  
All will be compared to this  
And all will pale, yes I'm convinced  
If I survive, guess I'll find out if that's true  
I hope I die  
I hope I die  
Before I do  
Before I do  
This is not a burn I want to chase  
This should be the last thing that I taste  
I will love again I know I will  
I will, but still  
I hope I die  
I hope I die  
Before I do  
Before I do  
I hope I die  
Hope I die  
Before I do, oh
