

# No More the Fool

## Elkie Brooks

Just why I stayed around  
When all I found was heartache  
I believed your every word  
Didn't know the hurt and pain that you'd make  
But why did it take so long  
At last now I've seen the light  
I've found the heart to say No more the fool who waits around  
Waiting for you to bring me down  
Those days are gone now  
No more the nights lying awake  
Crying and waiting for the day to break  
No more the sound as my dreams  
Fall and hit the ground  
While I wait around  
No more the fool You thought I'd break, then you were wrong  
That I won't see what's going on  
But I knew  
Here I am, I'm alive  
And you'll see I'll survive without you  
And I won't be the one who comes running  
It ain't like it used to be  
It's your turn to run to me No more the fool who waits around  
Waiting for you to bring me down  
Those days are gone now  
No more the nights lying awake  
Crying and waiting for the day to break  
No more the sound as my dreams  
Fall and hit the ground  
While I wait around  
No more the fool All the nights I've waited for you to call  
I've waited for a sign that you would stay  
But it's so clear  
You didn't care at all No more the fool No more the fool who waits around  
No more the fool  
No more the clown No more the fool No more the sight no more the sound  
As my dreams fall and hit the ground  
No more the fool No more the fool who waits around  
Waiting for you to bring me down  
Those days are gone now

No more the nights lying awake  
    Crying and waiting for the day to break  
    No more the sound as my dreams  
        Fall and hit the ground  
        While I wait around  
    No more the foolNo more the fool who waits around  
    No more the fool no more the clownNo more the foolNo more the sight  
        No more sound  
    As my dreams fall and hit the groundNo more the fool
