

You and Me

Busy Signal

You right now
Girl it's you and me to infinite Darling you and me
We were meant to be
Girl you've always been my lover
Always been my lover
You and me for eternity
Girl you've always been my lover
Always been my lover By any means necessary mi haffi keep you baby
Stay near mi nuh if's nuh maybe
Man ah sing inna yuh ears like canary
But ah mi pitch inna yuh heart like pitchary
You ever present when mi call you gal
Nuh hide and seek because its so official
Feel sweet when you wrap up in these arms mi gal
And mi heart ah jump up like ah carnival
So gal you and me
We were meant to be
Girl you've always been my lover
Always been my lover
You and me for eternity
Girl you've always been my lover
Always been my lover Me without you is like a dog without a bone
Like a king without a throne
Like a cream without a cone
Salon without a comb
Sprint without a phone
Without you, girl you know mi house is not a home
Inna mi life mi need yuh girl I realize dat
Never gonna leave your side I hope you recognize dat
Nothing in life comes easy girl yuh love I earn dat
Learn dat mi nah go turn back
So baby you and me
We were meant to be
Girl you've always been my lover
Always been my lover
You and me for eternity
Girl you've always been my lover
Always been my lover You right now
Me and you right now

Only you right now
Until forever I vow
Me and you baby
You ah de B to de EAT ah mi heart
You ah mi baby
Girl its you right now Hot head, you and me
We were meant to be
Girl you've always been my lover
Always been my lover
You and me for eternity
Girl you've always been my lover
Always been my lover
You and me
We were meant to be
Girl you've always been my lover
Always been my lover
You and me for eternity
Girl you've always been my lover
Always been my lover
